

NASA GLENN RESEARCH CENTER

Lewis Little Folks

Located on the grounds of NASA Glenn Research Center, Lewis Little Folks (LLF) includes not only a daycare center, but also a comprehensive, full-day kindergarten, which is open to all Glenn employees and support service contractors.

LLF was organized in 1985 exclusively for educational purposes as set forth in section 501 (c) (3) of the Internal Revenue Code, making all contributions tax deductible.

This will be our Seventh Annual Lewis Little Folks Benefit Golf Outing. The Golf Outing is open to civil servants, contractor employees, and friends of NASA Glenn Research Center.

Come and join us for a day of fun while raising funds to benefit the children at Lewis Little Folks.
