SUMMER CAMP 2006

Dear Parents,

We are presenting our plans for our 2006 Summer Camp Program! We are looking forward to a fun filled summer with your child.

Our summer camp program has been planned to provide an exciting calendar of activities to interest everyone. We have scheduled physical fitness activities such as swimming lessons, water park, and sports class. We plan to hold our own version of “safety town” during the first week of camp. We have at least 11 field trips planned. The program will also include arts and crafts, science projects, woodworking, storytellers, classes in cooking, and nature walks. We have arranged for a yellow school bus through the Berea School System for field trip transportation, but parent chaperones will be needed for all field trips. A detailed calendar of events and times will be distributed to parents of registered children at a later date before summer camp begins. Along with this calendar, parents will be asked to sign up to chaperone field trips. We will need each parent to sign up for at least one trip. Sign up will be done by lottery for popular trips, and it will be required to sign up for a water park trip to be included in these lotteries. More information on chaperone sign-ups will be coming.

Enrollment to this year’s summer program is open to children entering Kindergarten, first, second, and third grade. We are planning to enroll 60 children in the camp program with 5 full time teachers. The program begins June 12 through August 25, 2006 (11 weeks). By enrolling your child in our program, you are committing to the entire 11 weeks. No partial enrollment will be accepted. LLF needs to employ adequate staffing and ensure all expenses are covered regardless of the number of children in attendance; therefore this policy is now added. Your security deposit will be applied to weeks 10 and 11 if your child is withdrawing from enrollment at the conclusion of camp.

There will be a one-time activity fee of \$185. This covers the expense of all activities and transportation. There is also a registration fee and security deposit for children not currently enrolled in LLF. Weekly tuition will be announced sometime in May. Please review all of the information in this package and refer to the Enrollment Information page for enrollment requirements and dates and times of enrollment.

We are asking for all parents to provide your child with a blue Lewis Little Folks T-shirt, which can be purchased in the LLF office for \$6.00. If your child already has one of these shirts, this purchase is not necessary. We would like for each child to have this particular T-shirt on during each field trip. It helps our teachers and chaperones quickly identify children with our group. We also encourage parents who plan to chaperone to purchase a shirt to wear on our field trips. Adult T-shirts are \$7.00. Please clearly label your child's T-shirt with your child's name.

If you are enrolling your child in our camp program for this year, please retain the information in the complete registration packet for reference during the camp program.
